Onity Quality and Service

Onity minibars are backed by the leading provider of solutions for the hospitality market, with products in around 5 million rooms and 30,000 hotels throughout the world. All components for Onity minibars are sourced in Europe, following the highest quality standards.

Flexibility

- Reversible door
- 2 sliding shelves (5 or 8 possible positions depending on the model)
- 2 adjustable racks for bottles and snacks

Economical

- Low energy consumption
- Thermal isolation through cyclopentane

Silent Running

The absorption technology cooling system ensures a totally silent operation.

Options

- Glass door
- Lock
- Wheels
- Sliding hinge for cabinet door

Quality and Environmental Certificates

Manufactured under ISO standards, Onity minibars comply with the highest quality and environmental requirements, including TÜV, TUC GS, CE, ROHS, GOST and ISO9001.

CFC, HCFC, HFC and PFC free, the elements the minibar uses for cooling are all 100% environmentally friendly.

The Importance of Ventilation Essential for a Correct Performance

Minibars can be easily integrated into any type of furniture, as long as the appropriate ventilation space is allowed.

A minimum space of 400cm² is recommended to enable air circulation around the cooling unit.
